## **SPECIAL REPORT- PANDEMIC PERIOD: CLOSURE AND RE-OPENING OF THE SCHOOL**

### **A. Closure of the School:**

Due to the outbreak of Covid-19 Pandemic, an unprecedented test faced by the entire world, the school was closed from 16<sup>th</sup> March 2020. Almost all students were sent home except 42 girls. The girls who stayed back in the school premises included 12 girls from Sikkim, 28 girls of Grade 12 and 2 girls from Nepal.

Consistent and dedicated efforts to send the girls home bore fruit and on 5<sup>th</sup> May, 2020, 14 girls were sent home. Special permission was taken from the Government of Uttarakhand and these girls moved from Dehradun to Haldwani by the school bus. They were accompanied by Mr. Joginder Chauhan (Supervisor), Ms. Priyanka Negi (P.E. Teacher) and Mr. Rajkumar Thapa (Driver). Our staff ensured that the girls were safely handed over to their parents.

Again, on 7<sup>th</sup> May 2020, 12 girls of Sikkim were sent home along with Ms. Priyanka Negi, Mr. Manish Mall (Estate Manager) and Mr. Rajkumar Thapa. They were also accompanied by one female official appointed by the District Magistrate. They were driven from the school in the school bus and reached Rangpo Checkpost in Sikkim on the 10<sup>th</sup> of May 2020, when they were there handed over to the Sikkim authorities. Our staff returned to Dehradun on the night of 13<sup>th</sup> May 2020. The effort of the staff was commendable.

Finally, on the 16<sup>th</sup> of June 2020, the two girls from Nepal were re-united with their families at the Indo-Nepal Border. Ms. Priyanka Negi and Mr. Joginder accompanied the two girls to Mahender Nagar where they were safely handed over to their parents.

### **B. Re-opening of the School:**

As per the Central and Uttarakhand Government's directives to reopen the schools, Him Jyoti School, too, decided to reopen for Classes VI to XII.

#### **a. Preparation:**

The school prepared an exhaustive SOP and worked hard to follow the same. Special preparations were made to ensure the safety of staff and students. Hands free sanitization machines have been installed at strategic locations. Sanitization Tunnel has also been installed at the Main Gate to ensure complete security of the campus. Dorms were converted into Quarantine Units, and the Infirmary into the Isolation Centre. The entire campus was marked for social-distancing.

### *Hands-Free Sanitization Units*

#### **b. Staff COVID Test**

On 12<sup>th</sup> January 2021, the entire staff of Him Jyoti School got their COVID test done in the school premises. The test was conducted by the technician of SRL Labs. In all 45 staff members were tested, including the support staff and kitchen staff. None of our staff members were tested positive.

#### **c. Return of the Students**

The return of the students was planned in the following phased manner:

Class X & XII - 14<sup>th</sup> January 2021

Class IX & XI – 22<sup>nd</sup> February 2021

Class VII & VIII – 4<sup>th</sup> March 2021

Class VI – 14<sup>th</sup> March 2021

On the 14<sup>th</sup> of January 2021, a COVID Test Camp was organized in the school

premises to test the girls of classes X & XII, who reached the school on the same date. The camp was organized by the CMO and supervised by the school staff. Tests from private lab were arranged for the girls who could not reach school on time for the medical camp.

Students of classes IX and XI joined school on the 22nd of February 2021. The girls were asked to get the RTPCR test done before travelling to school and to carry a COVID negative report with them. To maintain the safety and well-being of the girls, another round of test was done in the school premises.

On the 4th of March another Test Camp was organized by the CMO, and all girls from class VII & VIII were tested, despite carrying their negative test reports with them.

The last batch of girls arrived on 14th March 2021 and underwent another round of testing at the medical camp.

All these measures have been taken to ensure that the school campus remains a COVID free zone.

Altogether, 239 students out of 243 have returned to school. The remaining 4 girls, who are from Sikkim, will be returning soon. 35 students of Class V are continuing their classes from home.

*COVID Test in Progress*

*Medical Camp for Students*

**d. Quarantine Period**

All the girls served a mandatory quarantine period of 7 to 17 days in the hostel. Every new batch of girls was quarantined separately in their respective dorms and were asked to maintain their distance from students who had arrived earlier, till their quarantine period was over. The policy of social distancing is strictly in place, and the girls have been sensitized about the same from time to time. Here, the hostel and mess staff need a special mention as they have been on their toes throughout to serve the girls with utmost diligence.

**e. Offline Classes**

Finally, the situation is coming back to normal at Him Jyoti, with everyone following the protocols and guidelines. The offline classes are a live proof of the same. All the staff members have delivered their best to ensure that the safety of the girls is not compromised. After rigorous revision in the offline classes, Annual Examinations have commenced from 18th March, 2021.

## NOVEL INITIATIVES & ACADEMICS

### A. Digital and Remote Learning:

The teaching-learning scenario at Him Jyoti went a radical change with the Pandemic. As it became clear that the school will not reopen soon, the staff and students adapted themselves to the digital learning mode. The teachers conducted classes via Zoom for Meetings and shared their recordings with the students too, for the benefit of those students who had internet connectivity issue at the time of the classes. This helped the staff and students to continue the learning process virtually. We were fortunate to receive the help of Ernst & Young Education Consultants, who helped us by providing access to multiple online learning sites, like TicTac Learn, OLabs, and a very comprehensive digital library. We used OLabs for practical for Senior classes, and other tools/sites for the entire school. Also, Ernst & Young aided the teaching process by providing laptops to the staff.

### B. Digitization of Classes and Campus:

In order to stay abreast of the technological advancement in education, Him Jyoti School has donned a new avatar. Smart TVs that would serve as important medium of instruction, have been installed in all the classes. Along with them, the campus is now wi-fi enabled, with the installation of new wi-fi connections. All the computers have been upgraded to Windows 10.

### C. Entrance Test:

As Uttarakhand Government has not yet given permission to open the school for Class V and below, we were unable to conduct the Entrance Test for new Class V (2021-22) in February, as was customary, for students were not available in any school in the state. Hence, with the help of the Academic Committee it has been decided to conduct the said test in May, and to commence the new session for Class V from July, 2021. The registration process for the same has already started.

The eligibility criteria for the Entrance Test are as follows:

- a) Income of the guardian/parent should be below INR 1,20,000.
- b) The age of the student should be between 10 to 11 years.
- c) The girl must be a Government school student.

#### **D. Final Examinations 2020-21**

Final Examination for classes IX and XI will be held from the 18<sup>th</sup> of March 2021.

Class VII and VIII will sit for their final examination from the 22<sup>nd</sup> of March 2021, whereas the examination for Class VI will be conducted from the 27<sup>th</sup> of March 2021.

Class V final examination will be conducted online from the 22<sup>nd</sup> of March 2021.

The new session for classes VI to XII will commence from the 5<sup>th</sup> of April, 2021.

#### **E. Results**

**Note: Though the following results are of Classes X and XII (2019-20), they have been included in the current Annual Report, as they were declared in July, 2020. The CBSE examinations of Batch of X and XII (2020-21) are yet to take place.**

Him Jyoti School girls once again stole the limelight with exceptional results of CBSE Board Examinations for Classes X and XII. The overall result was excellent. In Class X Vaishali Pandey topped with 96.2%, followed by Nikita Ojha with 95.4%. Gunjan Bharti scored 100% in Information Technology and Vaishali Pandey scored 100% in Mathematics. This indeed is praiseworthy.

The result of Class XII was also remarkable. Priyanka Koranga and Sheetal Bhandari topped with 95.6% and Mallika Pal stood second with 94.6%. In total 15 girls scored above 90% which is indeed commendable. Anamika Guasin and Priyanka Koranga scored 99% in English and Biology respectively. This wonderful performance is undoubtedly the outcome of sincere endeavor by the Himjyotians.
