On 5th April, 2017 Padam Shri Shrimati Shantha Sinha, a Ramon Magsaysay award winner, an anti- child labour activist of international reputation, humbled us by visiting our School. She is the founder of Mamidipudi Venkatarangaiya Foundation. She was impressed by the wonderful performance put up by the girls in her honour. She also commended the students for their discipline, and the good work done by the school in the field of girl education.
